June Issue 8 – Friday 10<sup>th</sup> June 2016

Dear Parents and Carers,

I hope you enjoyed a good half term break. Since our last Newsletter we have been busy and we thoroughly enjoyed Miss Bourne's Sea Stars class assembly before we broke up – teaching us all about spelling rules!

We have got lots to look forward to over the coming weeks, including the installation of two climbing walls in our playgrounds next week. Also next week, we are having a science focus in school and on Tuesday we have some eggs arriving in a hatchery. We will be observing them closely over the following week to see how many chicks will hatch!

We have Sports Days coming up over the next couple of weeks and we would love to see as many parents/carers coming along to cheer us on! We hope the sunshine will shine for these sports events, however in the event of bad weather and the need to postpone any event, we will contact you as early as possible on the day using the text messaging service. If in doubt please phone the school office to check before you journey into school.

We received some really exciting news this morning that school has been successful in our application to renew our Green Flag Eco award. Mr Mantell and the Eco Council have worked very hard recently to prepare for the Eco audit that took place yesterday. The Eco Council did a fantastic job talking to our visitor about all the things we do at school to care for the environment and educate ourselves in all things ecological! Very well done to that team and please keep up the great work.

Have a good weekend and let's hope the sun returns,  
Mrs Meek

**The summer term finishes for pupils on Thursday 21<sup>st</sup> July**

### Bikes and Scooters

We have had several complaints from parents recently that pupils are riding their bikes and scooters onto the school site at speed during the morning drop off time. This is extremely dangerous at such a busy time and is likely to cause accidents. I would like to remind you of the rule:

**Riders need to dismount from bikes and scooters at the school gate and WALK into school. Pupils who do not follow this procedure will have their right to bring scooters or bikes onto the school site removed.**

I hope that you will work with us to ensure that we can keep parents and children safe on our site.
