

# Pilgrim Primary's E-Safety Agreement

*All pupils use computer facilities including Internet access as an essential part of learning, as required by the National Curriculum. Both pupils and their parents/carers are asked to sign to show that the e-Safety Rules have been understood and agreed.*

These rules help us to stay safe on the internet

- I use my own login name when using a computer in school.
- I only use the internet when an adult is in the room.
- I always report something I've seen or read online that upset me or make me feel uncomfortable.
- I must have permission to write, send or open emails.
- I think before I click a link on a webpage.
- My passwords are private; I will never share my name, passwords or any other personal details whilst online.
- I never arrange to meet anyone out of school, that I have chatted to online.
- I will not use social networking sites in school.
- When given permission by my teacher I can use a webcam to communicate.
- I will not send any hurtful messages using a mobile phone, computer or anything else.
