10th January 2018

Dear Parents/carers,

I am pleased to inform you that, as from Monday 15th January, your child is invited to attend booster classes in preparation for SATs in May. These will run every week from 3.30 - 4.30pm on Mondays and Tuesdays up until 14th May 2018.

The children will be taught by myself and Mrs Stephenson (when available). Although these classes are not compulsory, we strongly advise you to encourage your child's participation. This free, extra tuition will benefit your child in increasing their confidence, supporting their overall learning and provide structured revision for the SATs tests as well.

We will provide a drink and biscuit for the children at the end of the school day before the class starts.

We are aware that some children have already committed to clubs on a Monday and Tuesday afternoon and they should feel free to attend them this half term and to join the booster class after half term.

Please complete the attached reply slip so we know which children to expect.

Many thanks,

Mr Scott
