What is the role of school governors and governing bodies?

Governing bodies are responsible for a wide range of matters, which include ensuring that pupils receive high quality education and planning for the future development and improvement of the school/college. Parent governors play an important role as members of the governing body and are welcomed as valued members of the team. The governing body works together – governors do not make decisions individually.

Governors will support and, at the same time, challenge heads by gathering views, asking questions and deciding what is best for the school. Governors make important decisions on how a school will be run and have to stand by their collective decision. The governing body is answerable to parents, learners and the wider community.

Governing bodies comprise of various types of governor. The governing body will include:

- Parents elected by other parents at the school.
- Staff governors elected by their colleagues.
- Trust appointed governors.
- Co-opted Governors appointed by the governing body.
- In some schools there are Foundation governors appointed by the body which established the school, usually the church (VA and VC Schools). This is not the case at Pilgrim Primary Academy.

Commitment

Our meetings are held **every 6 weeks (once per half term) – Tuesdays at 4pm**. Governors usually also sit on one, or sometimes more, committees. Meetings should last no more than 2 hours. Governors are encouraged to visit school to learn more about the way the school works.

What will you gain as a school governor?

- The opportunity to make a real difference and the chance to contribute to the good of the community, leading to real satisfaction and a sense of achievement. You will gain an understanding of the decision making process of school governing bodies and an awareness of the education system as a whole;
- Working as a school governor will give the opportunity to work with a wide variety of people and pupils from a variety of social, cultural and religious backgrounds;
- You will develop new skills and strengthen existing ones. You will be offered training provided by the Local Authority or other providers on various aspects of the governor role.
