Announcements/Information

If you think that you might qualify for your child to have Free School Meals you are now able to apply online yourself using the following website.

www.plymouth.gov.uk/schoolseducationchildcareskillsandemployability/freeschoolmeals

Yesterday **all** staff were involved in a very productive day focusing on the Curriculum that we provide for the children here at Pilgrim.

There was lots of good discussions!

Congratulations to Miss Dale on the birth of her beautiful baby boy at the beginning of the Easter Half term.

Foundation

The Foundation Stage children had an exciting visit to Pennywell farm. They had the opportunity to feed the lambs, milk the goats and ride on a tractor.

Year 1

Today Year 1 are celebrating their 10 Class Merit reward with a London Day. They are using digital maps, creating their own maps of London and researching more about the landmarks of our capital city.

Year 2

This term our theme is 'Sense of Place'. We have been learning about local artist Brian Pollard and are going to create our own painting in his style. In geography we went on a trip to the Hoe which the children really enjoyed. We located important landmarks such as Smeaton's tower, the memorial and the coastline.

Year 3

This term, we will be looking at Forces and Magnets in Science. We have already investigated how far a toy car travels on different surfaces, as well as looking at pushes and pulls at the park!

Year 4

Last week we enjoyed our theme launch days about sound. We walked around the local area to see what sounds we could hear. When we got back to school we then used symbols to plot these onto a map. This created our sound map. We have also used a web site called MusicLab to investigate and created our own sounds.

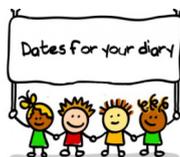

Year 5

On our first day back at school, the children learned all about coastal features and erosion. We then walked to The Hoe so that they could observe and record these features in real life.

Year 6

It's the busiest time of the year here in Year 6! With SATs just around the corner, the children have been working harder than ever to make sure that they are ready, happy and confident enough to sit the papers and they have been doing a fantastic job! The children will be able to come into school every day from 8am for a free breakfast during the week of May 13th and there may have even been a few treats arranged for them...

- 13/05/19** Yr 6 SATs week
- 17/05/19** Class Assembly Yr 1BF
- 19/05/19** Plymouth School Half Marathon Challenge
- 22/05/19** Healthy Smiles Rec & Yr 1
