1st March 2019

## Foundation

We had a successful bedtime story session where Parents were invited to watch the children's movie of 'The Octopus and The Three Sharks.' This was based on the story of 'Goldilocks and The Three Bears.' The children all wore their pyjamas and had a hot chocolate. Thank you to all the parents who came.

## Year 1

We have been learning about primary colours and how to mix them to make secondary colours. Then we learned about some abstract artists, like Piet Mondrian, Mark Rothko and Jackson Pollock. Finally, we used coloured paper and paints to create artwork inspired by these artists.

## Year 2

We have created some impressive mosaics of toucans. Children persevered for over 2 hours cutting out and sticking each individual square. Miss Hardington and Miss Smith were really impressed by their determination and the quality of the mosaics produced.

## Year 3

Before the half term, we were lucky enough to visit Kents Cavern in Torbay. We spent the day here learning more about the Stone Age and exploring the caves. Fortunately, the caves are no longer inhabited by cave bears! It was a very enjoyable day. We came back to school knowing lots more about what life was like in the Stone Age and how archaeologists discovered our Stone Age ancestors.

## Year 4

On Tuesday 26th February, we visited UTC Plymouth for a science, technology, engineering and maths enrichment morning. The sessions were designed to capture the interest and inspire our children who may want to explore careers in these fields in the future.

## Year 4 continued

The activities included making bridges, planning space missions to Mars and learning about the lives and jobs of submariners in the Navy. We all had a great morning and even managed to design a protective capsule for someone landing on Mars!

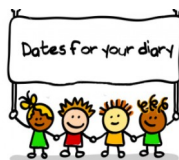

## Year 5

We have an exciting term ahead! This week and next week, we will be entering the Life Education Caravan to learn about 'Friends and choices'. We also have World Book Day next Thursday, when the children will spend the day telling and listening to stories. If you have not made your puppet already, please do so ASAP. There are lots of simple ideas on the internet. This term, we will also be taking part in art workshops at KARST Gallery and Dolphin class will be visiting Brittany Ferries as part of Widening Horizons.

## Year 6

Having taken part in workshops run by the Theatre Royal last year, we are excited to have been invited to the grand unveiling of their new sculpture on Monday 18th May! This will be followed by a creative writing workshop, also run by the Theatre Royal, with a select few winning the opportunity to have their work read aloud at the official unveiling later in the month. Watch this space!

**06/03/19** Parents Evening 3.30-6pm

**07/03/19** Parents Evening 3.30-5pm  
World Book Day
