Dear Parents/Carers

Very shortly we will be offering sex education lessons to our Year 6 pupils as part of their National Curriculum learning. This will involve watching a video especially designed for children of this age, called 'Living and Growing'. After that boys and girls will be given a chance to discuss the video and ask questions to both myself and Mrs. Stephenson.

You do have the right to withdraw your child from these lessons if you would prefer to give them the appropriate information yourself.

This year we will be giving you the chance to view clips from the video and discuss the schools policy on sex education. I will be giving parents and carers the chance to look at some of the videos and view our school sex education policy on Tuesday 4th July at 3.30pm in the Year 6 classroom. Please feel free to come and join in the discussion.

If you **do not** wish your child to take part in the sex education lessons please sign and return the form below **by Friday 30th June.**

If you have any questions or concerns, please do not hesitate to speak to myself or Mrs Meek.

Yours sincerely

Mrs K Buck

I do not give permission for my child _____ (Child's name) to take part in these lessons.
