Announcements

Miss Dale has started her maternity leave and we look forward to seeing her new bundle of joy when he/she arrives. Mrs Ruston will be joining us after Easter as her maternity cover.

Miss Camm is delighted to announce that she is also pregnant and her baby is due in August!

The winner of our Easter Egg draw was Marika W (Seastars). Congratulations! Comic Relief and bake sale day raised £266. Thank you for all your efforts.

Foundation

We have enjoyed exploring our new additions to our outside area. The children have enjoyed helping to create a den building our, which currently is being used as pretend camping area. There is also a new creative area which has a stage. The children have enjoyed creating their own shows!

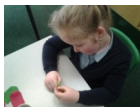

Year 1

After learning about endangered animals, we made our own moneyboxes and raised £36 to adopt an animal from the WWF. The Seahorses class have adopted a panda and the Sea Stars class have adopted a snow leopard. Well done children!

Year 2

This term we have been learning to sew in DT. The children individually planned and designed their own animal finger puppet. They have learnt to use an overstitch to sew together their fabric. They then added features to their animal to make them look more realistic.

Year 3

We became palaeontologists this term and studied coprolite - also known as fossilised poo! We found out the diet of Stone Age people by identifying bits of food in the poo (but don't worry it wasn't real!).

Year 4

On Thursday, we visited KARST art gallery. The children had fun designing their own art pieces, viewing professional art work and performing some art inspired drama productions. There were lots of 'hands-on' activities where the children had to use their senses to judge different materials and textures. We look forward to using these ideas to create our own art work next term!

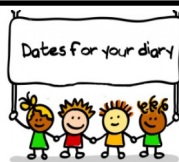

Year 5

This term, we have continued to explore the Shang Dynasty, focusing on preserving and investigating artefacts'. We made parachutes to investigate air resistance in science and had the opportunity to take part in an art workshop, with professional artists, at KARST.

Year 6

Over the last 2 weeks, we have been lucky enough to visit KARST twice. We have taken part in various activities such as designing our own statue for a plinth in Trafalgar Square, balloon modelling and creating our own structures from junk modelling equipment. We are already looking forward to returning in the near future!

05/04/19 End of Spring Term

23/04/19 RETURN TO SCHOOL

26/04/19 Foundation Pennywell Farm

02/05/19 School Closed - Polling Day

03/05/19 Class Assembly Yr 3RO'
