15th January 2018

Dear Parents/Carers,

We are pleased to announce that we will be entering the Plymouth Half Marathon Schools' Challenge again this year.

For those of you that have not been part of this event in the past, the challenge consists of the children running a mile a week in school for 12 weeks in the lead up to Britain's Ocean City Half Marathon that takes place each year on Plymouth Hoe. The children will then complete the final mile of the challenge on **20th May 2018** alongside the main half marathon event in front of thousands of cheering spectators, parents and friends.

This year we have been lucky enough to secure 60 places for children in **years 3 to 6**. This is a fun event and great experience for our children and we hope to fill all of the places available to us. For this reason we will be operating on a first come first serve basis.

Due to the sheer scale, there will be a small charge associated with this event of **£5** per child. For this price, your child will receive entry into the event, a half marathon t-shirt, a half marathon medal and goody bag. This fee will need to be paid by the 29th March 2018.

If your child is up for the challenge, please sign and return the slip to the School office as soon as possible in order to secure their place and avoid disappointment.
